

# **Admission Procedure**

## **Registration**

To initiate the admission process, parents are required to complete and submit the Registration Form to the school office by the designated deadline. Please note that incomplete forms will be rejected without prior notification.

## **Merit-Based Admission**

Admissions are awarded solely based on merit, as determined by performance in the entrance examination or interview. Upon selection, parents must ensure the payment of the admission fee by the specified date. Failure to comply will result in the cancellation of admission.
