

Classrooms

The school provides education from Nursery to Class XII. Spanning 23.94 sq. feet, all classrooms are converted to Smart classrooms, spacious, well-lit, well-ventilated, and designed to support effective learning. The LKG and UKG classrooms are thoughtfully crafted with vibrant decor and colorful furniture, creating an engaging and joyful environment for young learners.

To ensure fidelity in implementation, teachers and coordinators are entrusted with maintaining high standards. The infrastructure is carefully planned to promote comfort and focus. Specifically, the LKG and UKG classrooms feature lively walls, playful decor, and child-friendly furniture, fostering creativity and engagement. This nurturing setting lays the foundation for lifelong learning experiences.

Library: Enriching Minds, Expanding Horizons

The school library is a treasure trove of knowledge, featuring over 7487 books spanning a diverse array of subjects and interests. Beyond its extensive book collection, the library provides access to an impressive selection of journals, periodicals, magazines, and newspapers, catering to both academic pursuits and leisurely reading.

It plays a crucial role in fostering a love for reading and promoting independent learning among students. Each year, the library is enhanced with new books valued at approximately ₹50,000, ensuring it remains a vibrant, dynamic, and ever-evolving hub of knowledge.

Science Laboratories: Hands-On Discovery, Scientific Excellence

Our school proudly offers specialized laboratories for Physics, Chemistry, Biology, and Mathematics, each equipped with state-of-the-art apparatus and resources that meet the latest academic standards. These laboratories are vibrant centers of experimentation and exploration, where students dive into practical learning experiences.

Through hands-on experiments and the observation of real-world phenomena, learners gain a profound understanding of scientific principles and mathematical concepts. The lab environment nurtures curiosity, critical thinking, and a spirit of inquiry—essential skills for academic achievement and future scientific endeavors in our ever-evolving world.

Computer Education

Digital Readiness, Future-Forward Learning

Our school features cutting-edge computer laboratories for primary, middle, secondary and senior secondary students. These labs are fully equipped with advanced hardware and high-speed internet, fostering an engaging multimedia learning environment focused on hands-on application. Computer education is offered from Class I to XII, ensuring that all students are prepared for a digital future.

Art & Craft: Creative Expression and Artistic Growth

The Art and Craft Department is a vibrant space where students can unlock and nurture their artistic potential. Our Art Room is fully equipped for a diverse array of creative activities, including Drawing, Painting (glass, wall, cloth, and canvas), Sketching, Clay Modeling etc.

This department is essential in fostering creativity and self-expression among students. We invite young minds to discover, explore, and cultivate their artistic talents through a wide range of engaging and inspiring activities.

Music Room

Our school features a spacious and well-equipped Multipurpose Hall, the vibrant heart of campus life. This versatile space is designed to cater to a wide array of activities, making it the perfect backdrop for co-curricular programs, cultural celebrations, competitions, assemblies, seminars, workshops, meetings, and various school events throughout the academic year. Its dynamic environment encourages creativity and collaboration, inviting every student to shine and showcase their unique talents.

Games & Sports

Our school champions physical well-being through a vibrant sports program. With a vast playground, students can engage in a variety of outdoor sports, including cricket, football, hockey, and athletics, promoting teamwork, discipline, and fitness.

Indoor activities are equally exciting, featuring games like chess, carom, badminton, and table tennis, which enhance the sporting experience. We host annual sports meets and inter-house competitions regularly, encouraging friendly rivalry and school spirit.

For our younger students, swings and seesaws provide fun and safe play options. Additionally, a large stage is available for functions and celebrations, making our sports program an integral part of overall development and community engagement.

ERP – Campus Care 10X

Campus Care 10X, an innovative ERP system crafted in partnership with Entab Infotech. This cutting-edge digital platform revolutionizes our academic and administrative processes, fostering enhanced communication among students, parents, teachers, and staff.

With user-friendly mobile and web applications, all stakeholders can effortlessly access real-time information on attendance, timetables, report cards, circulars, and fee details. Teachers are equipped with powerful tools for homework management, grading, and report generation, making their tasks more efficient. Administrative functions such as attendance tracking, certificate issuance, and data management are now fully digitized, ensuring a system that is not only efficient and transparent but also incredibly user-friendly.

Drinking Water & Sanitation -

To ensure the health and safety of students and staff, water purifiers have been installed to provide clean and safe drinking water. Regular maintenance ensures a constant supply of potable water throughout the campus.

Smart Classes Smart Classrooms, Smarter Learning

In alignment with the latest technological advancements, our school proudly introduces 28 Smart Classrooms. These innovative spaces are designed to transform traditional teaching into vibrant, interactive learning experiences.

Equipped with modern teaching aids such as projectors, audio-visual tools, and interactive boards, these digitally-enabled classrooms enhance engagement and make lessons visually stimulating and easy to comprehend. With Smart Classrooms, we are committed to fostering a more effective and enjoyable learning environment for all students.

CCTV Surveillance: Safe Campus, Secure Futures

To prioritize the safety and security of our students, staff, and the entire school community, our campus is equipped with 40 strategically placed CCTV cameras. These cameras are installed in classrooms and at key locations, providing 24/7 monitoring. This continuous surveillance helps maintain a secure environment and enables a swift response to any potential issues.

Our school is committed to ensuring the well-being of every individual on campus through a robust, technology-driven security system. With comprehensive coverage of classrooms, corridors, entry points, and other vital areas, we create a safe space for learning and growth.
